

Chatting now

- talking helps me learn

Your child may...

Understand complex requests without help. (e.g. Give big teddy an apple and a fork)

Understand lots of describing and place words. (e.g. long, behind).

Understand more difficult questions. (e.g. What happened?, Who?)

Use long sentences, but still make some mistakes. (e.g. He falled)

Use words like 'I, she, his, your'.

Use most speech sounds correctly, but still find some difficult. (e.g. r, l, sh, j, ch, th)

Tell you what happened and sometimes what is going to happen.

Join in make believe play.

Start and take a few turns in conversations.
