

Bookbug Primary 1 Family Bag

[The Primary 1 Bookbug Family Pack](#) is sent to P1 children (produced in English and in Gaelic) as part of the Scottish Government's commitment to raise attainment and close the attainment gap through the development of family learning.

One Primary 1 Teacher Pack will arrive in each school shortly and the packs for P1 children will arrive in schools in October/ November. A key focus for the packs is family engagement.

Each pack includes three picture books which have been shortlisted for the [Bookbug Picture Book Prize](#).

Scottish Book Trust's aim is that schools will use the texts as part of learning and teaching in the run-up to and including Book Week Scotland (19th-25th November 2018).

To support this there are a number of resources, linked to the books which have been produced by Scottish Book Trust, on the [Primary 1 Bookbug Resource page](#).
