

Read, Write, Count aims to improve the literacy and numeracy skills of Scotland's children by providing advice and support for the families of children in Primary 1, 2 and 3. It is a key driver of the Scottish Government's commitment to raise attainment for all and close the attainment gap through the driver of family learning.

Read, Write, Count's [CLPL Materials and Further Information](#) provide an overview of the resources which will be delivered to P2 and P3 children during the course of this session. The Read, Write, Count materials for Primary 2 and Primary 3 children have been created to support schools in developing family engagement.

As part of the Read, Write, Count campaign, P2 and P3 children across Scotland will receive a book bag this Autumn. The packs will arrive in schools between September and November.

The Scottish Book Trust have created a number of useful resources and documents on their website to support the gifting of the texts as well as using the texts within learning contexts.
